1718 Connecticut Ave, NW  
Washington, DC 20009

Dear Ms. Kyriakides:

This letter is in further response to your May 15, 2017 Freedom of Information Act (FOIA)/Privacy Act (PA) request seeking: "All reports submitted pursuant to the November 6, 2015 FISC Memorandum Opinion and Order concerning FBI receipt and review of Section 702-acquired information."

We have re-processed the responsive document to disclose additional information. See attached.

We are withholding the portions of the record pursuant to one or more of the following FOIA exemptions set forth in 5 U.S.C. 552(b):

(1) which permits the withholding of information properly classified pursuant to Executive Order No. 13526;

(3) which permits the withholding of information specifically exempted from disclosure by statute (the applicable statute is 50 U.S.C. §403-1 (i)(I) of the National Security Act of 1947);

(6) which permits the withholding of personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

and,

(7) which permits the withholding of records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information

[...]

(C) could reasonably be expected to constitute an unwarranted invasion of personal

privacy.

As this case is in litigation, we are omitting our standard appeals paragraph.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin G. Tiernan", with a stylized flourish at the end.
